The content and extent of the rights and obligations arising out of the insurance contract are set out exclusively in the policy and the General Terms and Conditions of Insurance.

Who is the Insurer?

The Insurer is AWP P&C S.A., Saint-Ouen (Paris), Wallisellen Branch (Switzerland) branch, called Allianz Travel in the following text and whose registered office is 2 Richtiplatz 1, 8304 Wallisellen.

Who is the Beneficiary?

The Beneficiary is the person designated as such in the policy.

What risks does the insurance cover, and what is the scope of the insurance protection?

Under Allianz Travel «Breakdown Assistance Switzerland and Europe» you, as Policyholder, benefit from one year's insurance cover for breakdown, accident or theft concerning the vehicle you have declared to Allianz Travel.

Who are the people covered by the insurance?

The insured persons are exclusively those listed in the Policy Schedule and/or the Policy Conditions.

Duration and geographical scope of the insurance cover

The insurance cover is exclusively Europe-wide for the period of insurance. Local restrictions set out in the Special Conditions may apply to individual cover items.

What are the important exclusions?

The following list contains only the most significant exclusions to insurance cover. Other exclusions are contained in the exclusion paragraphs ("non-insured events and services") set out in the General Terms and Conditions of Insurance and the VVG:

- There is, as a matter of principle, no insurance cover for any of the insurance components for events that had already occurred at the time of taking out the insurance; the same applies to events that were known on taking out cover.
- There is also no insurance cover for events such as the misuse of alcohol, drugs or medicines, suicide or attempted suicide, participation in strikes or civil unrest, races and practice sessions with motor vehicles or boats, participation in daring acts in which the person knowingly runs risk or engages in grossly negligent or wilful misconduct/omission.
- No cover exists also when Allianz Travel has not given its prior approval to providing the policy benefits, or the breakdown or towing service has not been organised by Allianz Travel itself.

What are the duties of the Beneficiary and the insured individuals?

The following list only contains the most common duties. Further duties are set out in the General Terms and Conditions of Insurance and the VVG:

How much is the premium?

The level of the premium depends on the insured risks in each case, and on the cover required. The level of the premium will be defined at the time of application, and is set out in the policy.

When does the insurance cover begin and end?

The beginning and end of the insurance cover are defined in the application and specified in the policy.

The insurance will be extended tacitly at expiry of the year of cover for a further year, provided that neither the Policyholder nor Allianz Travel has tendered written cancellation notice at least three months before expiry date.

Insurance policies may be terminated prematurely, in principle, especially on the following grounds:

- After a loss, for which the insurer has provided services, provided that termination by the insurer takes place not later than at the time of payment in cash or settlement of the loss or termination by the Beneficiary occurs no later than 14 days after having knowledge of the payment or settlement of the loss.
- If the insurer increases the premium. Termination by the Beneficiary must in this case be delivered to the insurer no later than the last day before application of the new premium.
- Termination by the insurer in the case of an insurance fraud.

This list only contains the most common causes of termination. Further causes of termination can be set out in the General Terms and Conditions of Insurance and the VVG.
